

# Family

*In this family we do road trips.*

*We play board games; we play video games.*

*We unplug, hug trees, frolic in the ocean.*

*We pig pile, joke, tickle.*

*We fight, apologize, forgive.*

*We eat at the table, in the yard, in bed, and at the television.*

*We laugh, cry, laugh again.*

*We adopt, nickname, love.*

*We stick together.*
